The above information is for the purpose of obtaining credit and is warranted to be true.

I hereby authorize the person or form to whom this application is made to obtain any information considered necessary from any source concerning the information in this application.

All accounts are due and payable as stated under invoice terms and all sales are made subject to the "Standard Conditions of Sale" as set out on invoice. A finance charge of one and one-half percent (1-1/2%) per month, which is an annual percentage rate of eighteen percent (18%), will be imposed on all accounts that are past due. The customer shall be liable for all costs and expenses incurred in connection with the collection of customer's account(s), including court costs, collection agency fees and reasonable attorney's fees. The customer agrees to these credit terms as evidenced by customer's signature immediately below.

AUTHORIZED SIGNATURE: Title: Date:

A copy of the company's most recent audited or unaudited financial statements are required in the credit evaluation phase, and will be provided by the customer periodically as requested during the years of our business affiliation. This information will be held in strict confidence. If the financial condition of the customer is deemed non-credit worthy in Martin's sole discretion, or if the approved credit limit is exceeded, the customer agrees to provide additional credit support in the form of guaranties or other collateral, if so requested. A refusal to provide such credit support may result in your account being placed on COD basis.
