**Announcement: Cross Oil Price Adjustment**

To Our Valued Customer:

**Effective March 23, 2021**, Cross Oil will increase the prices on all grades of Naphthenic Base Oil by \$0.20/gallon. This increase is necessary to recover the rapidly rising cost of naphthenic crudes, refinery feed stocks and in-bound transportation.

We will limit orders to contract quantities during the transitional period and may limit sales based on available inventory.

We appreciate your business and look forward to continuing to supply quality naphthenic base oils for all your needs.

Sincerely,
