Announcement: Cross Oil Price Adjustment

To Our Valued Customer:

Effective February 11, 2022, Cross Oil will increase prices on all grades of Naphthenic Base Oil by \$0.25 per gallon (US). This increase is being driven by market factors including increases in crude oil, natural gas, and continued inflationary pressure on other inputs.

We will limit orders to contract quantities during the transitional period and may limit sales based on available inventory.

Your business is appreciated and we look forward to supplying quality naphthenic base oils for all your needs.

Sincerely,
